Prasia Group was established in the year 2011. With immense knowledge and leading market know how, we have registered a dominant position as one of the leading service providers in the industry. We have built a stance by rendering efficient solutions like manpower services, labor supply services, civil work services and work contract services. we are providing the manpower for work contractor, civil work, team supplier of crusher plant, WMM plant, batching plant, hot mix plant etc. We have proficient staff having years of experience in the domain that properly screen the entire database of the profiles to find the suitable candidate for a vacant position in the organization. Known for authenticity and reliability, our services possess the ability to stand out in this competitive market. We constantly upgrade our knowledge and resources to the next level of advancements, which always is helpful in exceeding clients' needs and expectations. We have a team of experts who selects the right candidate for the right job. They have vast experience and an insight into various aspects of employee and organizational behavior that helps them to cater the various industries with the most qualified professionals. Many reputed industries have been benefited by our proficient services. Our aim is to acknowledge the requirement of the customers and serve them accordingly.

## **We know how to do business in Iraq.**

We can Offer workforce solutions and management Provide necessary and specialized equipment in top performance condition Be your "go-to" provider of construction services Meet your contract requirements, project standards, and tight deadlines, Prasia Group has a history of construction company working in Iraq and have been doing civil, mechanical, piping, pipe line and E&I site works for quite some times in the engineering sector, focusing mainly on oil & gas, power generation & distribution, water treatment and distribution, chemical & petro-chemical and infrastructure.

Prasia aims to diversify in terms of its markets and areas of operation, enhancing the growth of its resources and capacity to grow throughout the business. This stability enables us to take a long term approach towards all aspects of our business including financial, social and environmental thereby improving our ability to deliver value to our stakeholders.

## Who We Are

We are a unique mixture of Iraqi professional personnel and a world-class executive team comprised of professionals recognized across the globe as some of the top people in their fields has enabled us to provide best in class services while still offering best value pricing. Moreover, this unique combination of personnel gives PRASIA GROUP a highly professional, versatile, and dedicated team to leverage against any new opportunity.

Since its inception , our base of core service offerings and industry leading personnel have allowed PRASIA GROUP to experience tremendous growth and rapid expansion which is still ongoing today. We look forward to making the impossible happen for you.

In addition to our role as the preeminent Iraqi construction company PRASIA GROUP also provides a host of additional services to include catering, food distribution, vehicle leasing, and of course turn-key life support services. Supporting Iraqi, US, and coalition military forces as well as a wide variety of international corporations PRASIA GROUP provides Life Support service for lot people per day throughout Iraq.

we believe that our people are our most valuable asset; and the source of our success. Over the years, we have built a team of highly trained professionals, whose goal is to achieve ultimate client satisfaction. Our team consists of architects, engineers, 3D modelling designers, supervisors, and skilled construction workers. Our experienced engineering staff and supervisors have delivered all projects within required specifications and deadlines.

## OUR MISSION

- Whatever good things we build, end up building us.
- Create opportunities, achieve the extraordinary to be rewarded with success.
- Be responsive, reasonable, reliable, and responsible.
- Anticipate clients' needs, deliver on time & honor commitment.
- Be an integral part to clients' success.
- Integrate global & local perspectives, promote sound management of resources.

## OUR VALUES

### Safety :

Zero accidents are our unwavering goal: people's lives depend on it.

### Ethics :

Building on family heritage, privately owned by active management & guided by firmly held values.

Non-compromising on integrity.

Honesty and fairness.

### Mutual Respect:

PRASIA GROUP covenants encourage openness, teamwork & trust.

We Value an inclusive culture based on diversified backgrounds, experience & views.

### Excellence :

Set high standards.

Apply advanced technology, innovate and improve.

Thrive on challenges and accomplish the goal.

### Sustainability :

We plan and build for the future for the long term and benefit of our country, our clients and our company.

## OUR VISION

Adhering to the highest standards of ethics, we stand by everything we do.

Completing the job within time and continuously strive to improve the performance.

Achieving the challenging targets without lost time injuries.

## Capabilities

---

### PROCUREMENT

Prasia Group caters to the requirements of clients by offering supply of major bulk materials, equipment & packages, chemicals and consumables required for oil & gas, water treatment, power generation, chemical and petrochemical industries. Most of the equipment is skid-mounted and ready for installation at site.

Whatever your requirements - from office supplies to sanitation products; across industries such as oil & gas, or construction—for technical services such as IT outsourcing or specialized lighting systems—for transportation services such as buses, trucks, or spare parts - our resources can meet your unique requirements.

### LOGISTICS

is involved in association with local Iraqi partners in the management and operation of container terminals at ports of entry in Iraq mainly at Um Qasr Port. All major shipping lines call at these ports.

PRASIA GROUP is well versed with governments and local authorities in the region have a unique perspective and understanding of how to achieve the best and most effective results.

In the highly competitive world of shipping - where speed, efficiency and cost are vitally important elements of successful operations, PRASIA GROUP and its associates have the essential ingredients of service, based on experience and unbeatable port facilities. PRASIA GROUP always comes up with developing customized and tailor-made proposals to help improve operations and control costs.

## Workforce Solutions

by finding the best talent to best fit your workforce requirements. We provide custom outsourcing solutions, allowing our customers to focus on their core operations.

Through our years of experience, we have adapted to changing political conditions and varied requirements in the region – experience that has given our clients the access to our knowledge about the region’s unique labor requirements, tribal associations and security. As a leading provider of staffing solutions in Iraq, Prasia knows what it takes to succeed as a staffing solutions supplier – across all types of business engagements and organizations. Our personnel know first-hand the intricacies of recruiting the right people for the right job.

### Services include:

- Recruiting the highly qualified individuals
- Vetting personnel to include full background checks, medical screening, and training
- Providing personal protection equipment (PPE) if required
- Providing transportation as needed
- Providing insurance as required
- Completing health and safety checks
- Completing audits and controls
- Maintaining accurate time keeping and payroll services
- Training for equipment operators to meet OSHA standards

## Equipment rental and maintenance

serves as a vital and trusted partner for customers in construction, industrial, oil & gas, governmental and manufacturing businesses across Iraq. With over 200 kinds of equipment in ready stock and affiliations with leading manufacturers, our turn-around time for mission critical equipment is less than 48 hours. From sourcing and delivery to certified technicians, for maintenance and safety checks to advanced diagnostic tools.

Our established international connections give us access to various goods and services that are not readily available in the local market. These provide genuine spare parts directly from the manufacturer, meet our client's mileage/hours usage limitation, and give us the ability to provide certain necessary accessories meeting OSHA safety standards.

Prasia offers equipment with qualified/certified operators and the support of local maintenance teams keeping equipment working at optimal levels without lengthy delay for parts or outside repairs. Over the years, we have provided equipment for a variety of projects with private companies, the U.S. Army and the Iraqi government in the fields of construction, renovation and demolition, oil, transportation and life support.

## Construction Services

Through our extensive experience, we have adapted to changing political conditions and varied requirements in the region – experience that has given our clients the leverage of invaluable knowledge about the region's unique labor requirements, tribal associations and security.
